

Our Whole Lives Sexuality Education

Parents are children’s primary teachers, but *what is society teaching our children about sexuality?* **Our Whole Lives** is an antidote to sexualized media messages, peer pressure, misinformation and prejudice. It provides accurate, age-appropriate information, puts sexuality in the context of values and personal responsibility, supports healthy decision making, and strengthens social skills. These skills and values help prepare youth to *make healthy choices for LIFE!*

Our Whole Lives:

Sexuality Education for Grades 7-8

OWL models and teaches caring, compassion, respect, and justice. It helps adolescents address their attitudes, values, and feelings about themselves, their sexuality, and others' sexuality. Participants are guided by trained facilitators through an engaging curriculum that addresses topics most important to young adolescents, including those typically excluded from sexuality education and health classes. Each session will cover two workshops.

OWL values:

OWL is a secular curriculum appropriate in a variety of settings. *Sexuality and Our Faith for Grades 7-8* is a religious supplement for use in Unitarian Universalist and United Church of Christ Congregations.

**Next Course Offering: October 2019-April 2020,
Sundays (every other) 3:00-5:30 pm**
